**2nd East Asia Contact Person's Meeting with Epidemiology and Laboratory Network Meeting
Yogyakarta, Indonesia, 5-6 April 2018**

The East Asia CVO's forum was established in 2016 to strengthen the coordination on technical issues relating to animal health and veterinary services in East Asia. Under the CVO forum there are a number of areas where coordination and information sharing is beneficial to all members in the fight to control and prevent Transboundary Animal Diseases as well as other technical areas.

The 2nd East Asia Contact Person's meeting included the laboratory and epidemiology network meeting this year and was held in conjunction with the SEACFMD epidemiology network meeting in Yogyakarta, Indonesia 5-6 April 2018, kindly hosted by the Directorate General of Livestock and Animal Health Services, Ministry of Agriculture of Indonesia.
